prescribe procedures for the deposit and application of proceeds of sales of personal property when such proceeds are authorized for use in the purchase of similar personal property. The salient provisions of such regulations are set forth in the policy statements and operating responsibilities outlined in this regulation."

3. It is also agreed that the following subparagraph should be substituted for subparagraph 5c of proposed regulation:

"c. OFFICE OF THE COMPTROLLER

This Office shall take action to reimburse allotments utilized for acquisition of replacements to the extent it determines such action is justified. It also shall record proceeds of sales of personal property received by it; prepare an individual report covering each such collection on Form No. 674 (See Figure 1) itemizing the items sold; forward the original and one copy of each such report to the organizational segment of the Agency responsible for handling the related sales and replacement purchases; and make necessary recordings to reflect the reimbursements to the appropriation accounts."

4. Also, it is agreed that subparagraph 3c should be retained in the regulation without change.
